### **APPLICATION PROCEDURE**

Applicants for membership in the Rockin' Jokers Club may apply as singles or couples, and each applicant is considered as an individual. Any former member of the Club who is re-applying for membership shall be treated as a new applicant. The Applicant shall give the application to the Membership Chairman, currently the President of the Club.

All applications are accepted as Active Members by the following steps:

- 1) An applicant for membership must submit an application form along with payment of application fees and assessments, as currently specified.
- 2) The Membership Chairman will arrange to have the applicant's picture taken and emailed to members of the Board and posted on the club bulletin board so that Board members and Club members can see who is applying.
- 3) An applicant must dance with the Club a minimum of three (3) nights within a maximum of three (3) months. The guest book will be used to verify the attendance record for new applicants.
- 4) An applicant will be introduced at each weekly Club dance during their application period. Club members are encouraged to dance with the applicant and the members of the Board will make every effort to dance with the Applicant so that they can evaluate the applicant's "Plus" square dance ability.
- 5) The Board will consider and vote on the application for membership at the next meeting of the Board after the applicant has danced with the Club the required number of nights.

(Note that applicants may be "fast-tracked" if they are known to the Board to have either a high or low dance level).

- 6) An applicant will be notified within forty-eight hours (48) hours of the decision or recommendation of the Board.
- 7) A name badge will be ordered for the new member.
- 8) Accepted applicants will be presented and welcomed into the Club at the next weekly meeting club dance night following the approval by the Board.
- 9) Membership will begin on the first dance night of the month following membership approval by the Board. Guest fees, if any, are payable until that time.
